

Sabin Nugget

Volume 20, Issue 2

DECEMBER 2021

SABIN Metal Corporation

East Hampton, NY: Sabin Metal Corporation announces the adoption of a new brand identity, including a new logo, brand elements, typography as well as the creation of a new website. The launch of our website provides a trusted resource for best practices and detailed information on our services to our clients and partners. As the precious metals industries face new challenges and opportunities, Sabin Metal Corporation is leading the way. This is a major milestone for Sabin Metal Corp on its mission to continuously innovate. The newly created Sabin Metal Logo will be replacing the general Sabin Metal Logo, Sabin Metal Corporation West logo, Sabin Metal Canada (however, it will be excluding Sabin International Logistics Corporation and Sabin Metal Europe)

To learn more about us and see the brand and website updates, please go to sabinmetal.com.

GM Corner

I would like to wish everyone a Merry Christmas and a Happy New Year. I hope you and your families are happy and healthy going into the New Year.

We have a lot of retirements and a lot of new faces coming in. Please take the time to help everyone acclimate to the changes and more importantly help to build a positive and safe environment for everyone to work in.

We have some big changes that you are seeing now and that you will see in the future. The guard shack (right) is open, but we are still adding some features. The walk-through scanner will be phased in along with a new belt x-ray for packages.

The refinery expansion is starting to come together. We should be using the new water treatment area in North Addition in the first part of 2022. That will allow us to move to phase 2 and start on the expansion of our dissolve capabilities.

The Engineering Department is working with the Laboratory to develop the requirements for a new lab. The existing lab is in one of the oldest buildings on the site and is starting to show its age;)

It is exciting to see the growth and changes that are occurring and I want to thank all of you for being a part of it and lending your support to make it successful.

Happy Holidays!
Jim Barrett

New Security Entrance Facility

Prairie Nuggets

December 2021

*Happy Holidays from the crew at
Sabin Metal West!*

*Happy Holidays from the Great
North!*

On behalf of Derek and everyone here at SMC (Canada) we wish you all the best during the holiday season and throughout 2022. Stay safe and stay healthy and let's continue to work together in fighting this pandemic and at the same time continue to break production records.

Dan Cleroux

Employee Highlight: East Ave Grocery Run

On November 6, 2021 a few members of Sabin and some spouses participated in the East Ave Grocery Run sponsored by Sabin Metal Corp.

Employees News

Retired

On 10/23/21 **Joanne Yarnes** (Operations Office Manager) retired after 40 years of service. (Jo – below left with Scott Yarnes – below right.)

On 12/31/21 **Scott Yarnes** (Production Manager) will retire after 44 years at Sabin.

Also on 12/31/21 **Brad Cox** (HPO) (above right) will be retiring after 40 years of service.

Slava Rutman (Ship & Rec.) celebrated his 25 years on 11/29/21. Slava (above-left) receiving his tie tack from Aaron Gibson (above-right)

Births

Carter James Wilson Holbrook (above left) born to parents Danielle (center) & **Andrew Holbrook** (Maintenance) (above right) on 07/15/21 at 4:47 pm. Carter weighed in at **142.1 T/Os** and was 21.25 inches long. Congratulations on you happy addition to your family.

On 09/13/21 **Ellery Lanna Jade Ashley** (above) was born to parents Laura Harris & **Lawrence Ashley** (HGPI). Ellery was **91.1 T/Os** and 17 inches long. Everyone is happy & healthy congratulations.

On 06/26/21 **Cody Daniels** (HGP) & **Selena West** (Maintenance) were engaged after being together for 3 years. No date as of print time, but we will keep you updated. Congratulations to both of you.

Lovearn Cobin (Ship. & Rec.), 70, passed away on Aug. 13, 2021. He grew up in Nunda, N.Y., with his family. Vern (above) worked at Sabin Metal Corporation from 2002 until his passing. Prior to this he was employed as a logger, a farmhand and an employee on a pipeline. Vern had a love for life and a giving spirit; he always showed up to help someone in need. He also loved the outdoors and you could often find him fishing in some of his favorite fishing spots, in addition to enjoying racing and tractor-pulls. Vern was a devoted husband, father and grandfather. He enjoyed taking his grandchildren with him fishing, hiking at the local state park or simply pushing them on a swing at a local playground. Vern's smile and humor will greatly missed around the plant. Our thoughts & prayers go out to his family & friends.

James Brandes (Security-retired), 78 left us on 08/28/2021. Jim (above) worked at Sabin from 1983 until his retirement in 2004. Jim enjoyed outdoors and hunting. He enjoyed a good joke and sharing stories of hunting. Jim will be greatly missed and our thoughts & prayers go out to his family and friends.

Cricket Cobin (Ship. & Rec.) passed away suddenly on 08/16/2021. Cricket had just started at Sabin in 2020, but quickly caught on to the job and could hold her own with the crew. She loved a lot of outdoor hobbies such as camping, fishing, kayaking and 4-wheeling. She also did some amateur photography mostly nature & senior pictures for friends and relatives. She will be missed all of us who worked with her and especially her relatives at Sabin and home. Our thoughts & prayers go out to her family & friends.

Merry Christmas & Happy Holidays

Again, I would like to thank everyone who helped with this edition of the Nugget. If anyone would like to share Sabin related news, from any of our locations, please contact me, **Marty Spoor** at the Scottsville Plant {585} 538-2195 ext.267 or martys@sabinmetal.com

Final note if you are not on the digital mailing list, please send me an email and I can add you! Remember previous editions are still available on the website. Scottsville.sabinmetal.com

Submit news for any section of the Nugget to Marty Spoor in the Furnace Area (ext. 267)
