GM Corner

I would like to wish everyone a Merry Christmas and a Happy New Year! 2023 was a challenge for Sabin Metal. We had to deal with falling metal prices and we were somewhat a victim of our own success. We had record receiving causing record inventories. We will continue to improve our processes to allow us to increase our production and work through our inventories. With everyone’s help we can make 2024 a great year. Best wishes to everyone and their families.

Happy Holidays!

There is a new Sheriff in town. After the retirement of **Bonnie Steen** last year, **Jadyn Blount** (above) took over the reins at Sabin Metal West. She's whipping the office back into shape. It may take a little while until the handcuffs arrive. Congratulations and best of luck.

Obituaries

Shirley J. Burdick passed on August 16, 2023, 11 days shy of her 92nd birthday. She was retired in 1996 after 17 years of service. Shirley had many hats while working here. She was Assistant to Bill McAlpine, accounting, and inventory control just to name a few of her responsibilities. Besides raising her family, Shirley volunteered for many community affairs and church events. She was also a vault of knowledge about Sabin History. While researching Sabin history she stopped in to share her memories with me, which I greatly appreciated. We send our condolences to her family and our prayers.

Tim Futter – (HGPS retired) left us on September 19, 2023 after a long battle with Alzheimer's. He was just 62 years old and was employed at Sabin for 39 ½ years. Tim was a NASCAR fan, Buffalo Bills fan and also loved cars. His vehicles were always meticulously clean, and we always knew which one was his. Tim would always have a smile on his face and appreciate a good joke. Tim and I shared many car stories and photos over the years. Tim will be missed and our prayers go out to his family.

Bruce L. Humel – (Maintenance retired) passed away October 21, 2023, at the age of 71. Bruce worked for 28 ½ years as an electrician at Sabin. He had a laid back and easy-going personality at work and loved to share car stories with me over the years. I always enjoyed our interactions through the years. We will miss Bruce and our prayers and wishes go out to his family.
