

## Caledonia Trout Fest

**Cathy Bundschuh** (below) and crew attended the second annual “Caledonia Trout Fest”. It was also the first year that Sabin Metal sponsored the Trout Fest. **Ray Minisce** and his son **Tyler** also volunteered!

**Juergen Neumann** (below left) and his wife **Ulrike** (below right) helped with the “Wheel of Trout” game.

**Keven Rolland** (above left) and his wife **Renae** (above right) were among some of the employees who volunteered at the Sabin Booth. **Joe Kremer** (below) also helped as food tester.

## GM Corner

I hope everyone is having a great summer so far. We will be doing our annual shut down for maintenance and physical inventory. Coming out of our shutdowns, we have some exciting new things on the horizon. Our refinery expansion will be up and running. This will increase our dissolve capacity and allow us some flexibility in handling new materials. We will be doing some different melt testing in both plants. We are trying to optimize our smelting operations as well as optimizing the feeds going to the refinery. We need to continue to improve our operations everywhere we can in order to stay competitive in the industry. I want to thank everyone for their efforts in making this happen.

I wish everyone a fun and safe summer.
