

Sabin Nugget

Volume 1, Issue 2

October 2002

New Name!

Jonathan Sabin and Joan Carr had the privilege of reviewing the many entries submitted and selecting the winning name for our "Name our Newsletter" contest. Congratulations to Marty Spoor who submitted the winning entry of the *Sabin Nugget*, and even designed the logo. Marty received a \$50 gift certificate for dinner at Fratelli's Restaurant. Honorable mention goes to Rick Dolby for his entry of *The Creekside News*. Thank you to all those employees who entered the contest. **READ ON!!**

Jonathan Sabin named GM of Scottsville Plant

Jonathan Sabin has accepted the position of General Manager of the **Sabin Metal Scottsville** plant effective September 17, 2002. Jonathan joined the staff at Scottsville as Commercial Manager in July 2000. Prior to that, he was in currency trading in New York City and asset recovery on the West Coast. Jonathan and his wife, Susan, reside in Canadaigua and are expecting their first child in October. •

Sabin Metal Employees win the Commissioner's Cup!

On September 10, the foursome of Kevin Beirne, Kevin Beirne, Jr., Alex Patel and Dr. Yogi Patel were among 300 golfers to participate in the Commissioners Cup Golf Tournament on the Black Course at Beth Page State Park, in Long Island. The Black Course is the same course that hosted the PGA USA Open earlier this year. The tournament began with a shotgun start and featured morning and afternoon events. Prizes were awarded to the teams with the "best ball" for low net and low gross. The Sabin team won with a low net of 62. Bernadette Castro, New York State Parks Commissioner, and event organizer presented the Commissioner's Cup Trophy to the team. •

SMC Cobalt Remembers 9-11

On Sunday, September 8, in an event sponsored by Sabin Metal Canada, over 120 emergency response personnel from across Northern Ontario paraded through downtown Cobalt to St. Patrick's Church for a service to remember those who perished in the World Trade Center attacks.

Speakers at the service at St. Patrick's Church included Father Scully, priest at St. Patrick's, Russ Johnson of the Ontario Fire Marshall's Office and Dan Cleroux, General Manager of SMC Canada.

Dan spoke of the metals trading office that was destroyed in the attack and how fortunate Sabin Metal was not to have lost any of the SMC family that day. He saluted all of the volunteer fire fighters and emergency workers in attendance on behalf of Glenn Yager, (Chief of Security at SMC Scottsville) a volunteer fire fighter with 32 years of service to the community. Dan asked those in attendance to "remember the survivors both inside and outside the buildings, and those that are surviving each day, rebuilding their lives and the families who are without their lost or still missing loved ones." He ended by asking everyone to thank his or her firefighters, police officers and EMC workers daily. •

Greetings from SMC Canada!

By: Dan Cleroux

Greetings from Canada and congratulations on your second publication. Would you believe its been four years on September 5, 2002, that SMC (Canada) Ltd. started processing slag for the first time in our very own metallurgical plant located in Cobalt, Ontario. It's also been four years of "No lost time – Accident free" for our employees, both guys and gals. Something we are very proud of. We are also very proud to work with a group of people that are all professionals in their field. Whether that group comes from East Hampton, New York, Scottsville, Williston or the traveling Sales Reps, we have always received great support.

I understand that all retirees of the Sabin Metal Group of Companies will receive this newsletter. They are to be saluted as they are the ones that laid the path for this world-renowned company, Sabin Metal Corporation.

You can bet that we look forward to making several contributions to your future newsletters.

Again, **Work Safely** both at work and at home and "eh" – regards from Canada. •

2002 SMC Family Picnic!

The SMC Scottsville 2002 Family picnic was held at Letchworth State Park on Saturday, August 3, and it was a beautiful sunny, hot day. The park pool was conveniently located close to our picnic pavilion, so employees and their families could take a break from the heat. There were many games and activities and as usual, door prizes. Employee winners of a mall gift certificate were: Dennis Alwardt, Tom Barney, Mike Boylan, Tom Burns, George Cobin, Melissa Gibson, Bryan Johnston, Mike McKinney, Ralph Myers, Lou Rhinehart and Samantha Shaffer.

We were delighted to welcome Jonathan's wife, Susan, and mother, Pam Saunders, and several East Hampton employees: Richard DeSantis; Mary Beth Hamilton; Maria Feeney and her guest, Roger Wisniski; Maria Leonardo-Cintron, her husband, Rafael and their children, Luis and Juliana; and Cynthia Rapena.

The search is on for two winners of our coloring contest. Tianna Coen and Brynn Perkins were both awarded a prize for their entries in the coloring contest, but we have been unable to locate them to award their prizes. Please contact Betsy Gremer (ext. 297) if you know either of these two young ladies.

Thank this year's picnic committee: Lori Anastasi, Mike Boylan, Cathy Bundschuh, John Bundy, Yvette Bundy, Brad Cox, Betsy Gremer, Gail Heale, Les Lamphier, Dan Savoy and Al Williams for their efforts.

Employee News

If you see Scott Yarnes (8/2), Charlie Metz (9/26) or Tom Burns (10/28), congratulate them on achieving 25 years of service with Sabin.

Wedding bells have been ringing during the past three months as three Scottsville employees have walked the path to

wedded bliss. **Nathan Hendrickson** (Security) and his wife Sharon were married on July 13. **Craig Schroth** (Security) and his wife Leahanne (the daughter of Charlie Flickner) were married on August 3, and **Dana Cotton** (Furnace) and his wife Cheryl were married on September 14. Congratulations also go to SMC Canada General Manager, **Dan Cleroux** and his wife Joe-Ann who were wed August 31. Dan and Joe-Ann were married in a beautiful outdoor ceremony at their home on the Montreal River in Cobalt, Ontario. Best wishes to all of our newlyweds; may you have many years of happiness together!

Chad Rossborough (Maint-pc) and his wife, Katherine, welcomed their first child, daughter Emma, born on September 19.

Other News

Sabin Metal Corporation is a Corporate Science Partner with the Rochester Museum and Science Center (RMSC) located at 657 East Avenue in Rochester. We have family passes available for free admission to the RMSC Museum and RMSC Cumming Nature Center. The pass is also valid at the RMSC Strassenburgh Planetarium office for tickets to a show. While you are at the RMSC, you can visit ExploraZone2 for fun science interactives; see Rochester's 1873 Time Capsule; investigate the natural forces that shape our region in AdventureZone; and enter the world of Rochester's Public Market in the early 1900's through a giant reproduction of the camera used by Albert Stone, Rochester's first newspaper photographer. Stop by or call Human Resources if you are interested in borrowing the pass. The group pass is distributed on a first come, first served basis.

Reminder

The speed limit on Wheatland Center Road is 45 mph. Watch out for deer (its that time of year) and snapping turtles (trying to cross by the Marrow Ponds). Please drive carefully.
